Our primary company focus is on weekly service to communities just like yours - we are excited to serve your community and strive to be the "premier trash company" in the state of Colorado!

The following is some useful information regarding what you can expect regarding our service to the Chapel Heights community:

- Your trash service will be picked up weekly on Mondays.
- You are allowed three extra trash bags per weekly trash pickup. Additional carts (if you have more than three extra trash bags per week) may be rented for \$5/month by coordinating directly with HBS – additional carts cannot be billed through the District.
- Recycling will be picked up every other week.
- Your trash service has been activated by your management team, and service includes two 95-gallon carts, the yellow-lid cart is used for recycling.
- The included calendar identifies pick up days for your trash and recycling service.

On your collection day, please place your carts at the curb by 7:00 am with the handles facing your house to ensure pick up. Please be sure to leave at least 2 ft. of clearance between each cart and surrounding items, such as mailboxes, extra bags, etc. and leave at least 4 ft. between your carts and nearby vehicles.

Yard waste such as leaves and grass clippings must be bagged and such yard waste may be placed in your trash tote.
